Meeting Called to order at 7:13

A letter of resignation was received on June 3<sup>rd</sup> at 5:42pm from Scott Baker notifying the executive members that he would be resigning from the Muskoka Rock Executive, effective immediately. The policy on resignations was reviewed and it was deemed necessary to put out a call for submissions of interest for the position of President for the 2019-2020 season. This will be posted to our website and social media platforms asap so that the position can be filled within the 30 day allotted time period.

There has been some interest in the position of treasurer and that will be resolved as soon as possible.

The coaching applications were received, many were acclaimed. The successful candidates for each team are:

Initiation 1 - Andrew McDermott

Initiation 2 - Ryan Mannings

Novice – 2 Applications – Executive will need to perform interviews

Atom - 4 Applications – Executive will need to see how many players register to make the decision about teams and coaches as soon as possible.

Peewee – Matt Rinaldi

Once registrations have been received, the coaching interviews will take place with Tom, Kirk and Francis as an interview panel.

Registration advertising flyers have been sent home to MacTier, Humphrey, Glen Orchard and Watt public schools. We have had some new players applications turned in already.

The club has received a grant from Georgian Bay Township. We think that we would like to incorporate the meet and greet for the initiation families.

SWS has offered to do a Muskoka Rock Day where the fee would be \$15 instead of \$25 – it would be a Monday to coincide with the ski show. Details will be confirmed asap.
