Financial Update

Golf tournament brought in about \$19,000 Gross, still need to deduct all of the expenses to have exact total of what was raised. Geordie is still working on figuring everything out, and switching some stuff over. E-transfer limit has been upped to \$5000 per day. 1 U8 player was denied jumpstart funding, Kyle mentioned to reach out to the Muskoka's Children's Foundation, the U8 player has been on the ice since picture day practicing with the U8s.

Registration

Christine to look into U8 players registration. 3 new registrations joined the U6/7 team all because of no Saturday practices. U11 and U13 rosters have been submitted, Andrew currently temporarily showing as the U13 coach until Scott gets the final approval on Thursday. U8 and U9 rosters will be finalized down the road. Only waiting on 1 U8 coach to finish qualifications.

On Ice Helpers

On ice helpers need the OHF VSC, Gender Identity course, and respect in sport for leaders. On ice helpers U9 and below only need to have their VSC with the letter from Muskoka Rock.

Equipment

Black pucks are in and are in the equipment room. Need to order 2 jerseys for Judah, as none of the jerseys fit him. 1 for the Dentist and 1 for John Duke to go into shadow boxes as a token of our appreciation. John duke would like #4, unsure of the number for the dentist. A minimum of 6 jerseys needed to be ordered.

OMHA Update

U8 & U9 scheduling meeting has not been set yet. Andrew thinks it will most likely be emailed match ups to set up their own games. Game lengths for U13 can be 15-15-15 with a flood between 2nd & 3rd. U11 can be 10-15-15. Each club can decide their length of the game time.

Tournaments

U11 tournament is full, with a waitlist. U13 has 8 teams but is wanting a couple more. Craig to give Christine the list of teams that have registered for the U11 tournament to reach out to their centers if they have a U13 that might want to register for our tournament. U9

tournament one team reached out to Kyle saying they hadn't had a response to know if they were in the tournament or not. Kyle submitted a response to the tournament himself to see if he received confirmation.

Sponsors

Stickers for helmets for the team sponsors. Someone needs to spearhead this still.

2 Banners with all our sponsors. 1 for Port Carling Rink & 1 for Humphrey.

Some families with small businesses are upset they haven't had the opportunity to sponsor. Suggested maybe we do some Tournament sponsors ie. To use for the fundraising for the team (mini stick gift cards raffle, or chuck a puck prize etc)

Put together a sponsorship package, and email out to all participants of Muskoka Rock so that every small business is given the opportunity.

Muskoka Rock Swag

Moving away from RYR. Craig is sending an email regarding what swag he is going to get to put up for sale in the canteen. Also looking at doing an online store with PK sports out of Elmira.

Meeting adjourned 840 – when lights turned off at rink.
