Equipment

- need to have designated lockers for each team in Port.
- need to have designated goalie gear for each team (U9 & below)
- order some goalie sticks this year
- order 4 small nets – just the cheap ones. Will keep 4 at Port. 2 in Mactier and 2 in Humphrey
- need a lockbox or locker for Mactier – will need to discuss with the Township/Arena guys to see if this is possible so we do not have pucks etc go missing again.

Merchandise

Steph & Craig will put forth tag team effort on merchandise this year.

Suggest that all new players to our association get the winter jackets like the rest of the players. Muskoka Rock to cover 100% of the new rostered players. If any returning player

needs a new jacket they will have to cover this themselves. This is something to order after teams are set Sept 15th.

Tournament Coordinator

Craig to send out an email to the association to see if there is any interest. Lisa to post to social media. U11 & U13 Rep teams will take on the brunt of the work for their tournaments but the coordinator would still need to help with those tournaments.

Tournament Dates

U11 Rep – September 26-28 Humphrey & Port

U13 Rep – TBD

All LL teams TBD as well.
