

Muskoka Rock Updates

In Lieu of meeting Sept 16, 2025

Local League

Lindsay needs a confirmed number and category of LL teams and needs to report coaches names, emails and cell number as well as jersey colour for each LL team by Sunday. The U11 to U18 scheduling meeting for MPSLL is October 1 and the U9 will have scheduling contact the week of October 5.

Rep

Scheduling meeting is September 21, 2025.

Registration

Further efforts for U13LL push did not see enough registrations to put together a team. Christine will be notifying families accordingly.

Rep teams have mostly been signed, 1 further evaluation skate tonight then team will be finalized.

All teams currently managing new registrations via a waitlist so we can ensure we don't overcommit as some movement expected between LL teams.

Coaching

still looking for second U7 HC, lots of interest for AC, Craig speaking with Andrew Welch about HC

Merchandise

Hats, toques, blankets, towels, tumblers and seat warmers are being sold on the store now. There will be NO sales of merch from canteen, every sale needs to go through the online store. Once we run out of blankets, towels, tumblers and seat warmers they will be ordered individually. We are doing monthly order windows, the first one closed recently with \$250 commission owing to the club.

We can add jibbitz to the store, but we need to order 250 min at \$2.35 each (\$587.50) with a sale price of \$4.99 – can we go ahead with this?

Jackets

Steph will be arranging collecting sizes before placing an order, we need final team lists to track this and to know who had one last year. New Rock participants pay \$0, returning pay half (if they need a new one)

Player Development

Ashley starts with U5 and U7 this Saturday September 20th. Chris starts with U8, U9, U11 &

U13 Rep next week September 22 & 23. U11LL will start September 30.
