We will keep taking registrations at no fee until we know exactly what we are going to be charging for.

Ice Time Commitments for each arena will be communicated in the next few weeks. We will be taking everything that we have had in the past and possibly more. Tracey will connect with the managers.

We will look to continue some development this season and Trevor will speak to Coach Oulie.

The organization will purchase trophies for players on novice and under. We will look into something else for the older players.
