To whom this may concern,

The Muskoka Rock Hockey Association (“the Association”) requires all official volunteers of the organization to complete, pass, and submit a vulnerable sector check to participate in all sanctioned events held by the Association.

Please consider this letter as acknowledgement that _____ will volunteer officially as _____ during the 2024-2025 hockey season with the Association. This position requires the volunteer to interact in close proximity with vulnerable persons. These interactions are not limited to the Association’s local arena facilities, but also other public and private facilities throughout the province.

Questions or concerns can be directed to Craig Simmonds at info@muskokarockhockey.ca.

Sincerely,

Craig Simmonds
Risk Management Director
